

第八話 天下第二

Unfortunately
after losing
only half a day,
we were
attacked by
Gangwang
Sect.

That day
after leaving
the agency
we rode on as
fast as we
could.

喀喀喀

Let
Shaoan
handle
this
for
you!

"Ying Xiong and Shaoan" is a Chinese phrase meaning hero and devoted disciple. The four most elite disciples of Gongchang Fifth each use one character in their names and together they call themselves Ying Xiong and Shaoan, the Destined Heroes of Gongcheng Fifth Four. Ya Geyuan is using the character "hero".

What is the
reason for
this treacherous
betrayal of
Spring?

Do you two
are from
Gongcheng
Fifth?

That's right, we're
from Gingshang
Gard, that's my
senior! Pang Bantou

Pang ah-ge
why not we
just tell
them so
they don't
do what
being totally
crazy!

Revenge?

and we're here
for revenge!

Y-YOU
...!

Yu oh-oh, you sure
enjoyed it well,
the Old Blundering
Blunderer that
master taught us!

I wouldn't have
needed to risk
playing the hero
and causing all this
trouble for no other
reason!

There I was
thinking those
two were dead
from the Gang-
zhong Sect—

what's more, if only
I had known that
they both were
indeed meant to
perish!

The scene
is based on a
chapter where
which depicts
to run away
without leaving
any traces
behind.

Gangzhong Sect
Secretary, the Great
Master Vanishes into
the Unknown

But then, who
on earth are
they?

Light...

my disappointed
parents look me
and the punishment...

so all I can do is
watch my parents
being taken before
my eyes!

Father!
Mother!

By the time the
supper bowl
passed, I was
united, in
heart and life,
with my father's
world.

I had to resort
to begging along
the way since I
didn't have
enough money
on me.

I knew there
must have
been killing my
parents to let
Genghis in
China.

As I happened
to notice that

Little brother
along the street
already being a
no-good gambler!

How dare they
call themselves
developers?

That night I
crash into
the agency

Why do find those
our pilging the
agency's secrets

How
disgusting!

I found out that
the raid had
discovered
multiple attacks
on our various
businesses

From
their
conversations

Anyway, I found out that my parents were being taken to South AC Hong.

Master has already

Feng Sheng's party has already captured Lin Dungen and his wife.

Join up the army to return.

I can't wait to see what all the fuss is about. Oh I'll find out the conspiracy of them.

...It can't be just because I killed this guy today...

For them to have been so well planned and to have taken to such extreme measures.

What sort of dark grudges do they have with our agency?

Damn
dogs from
Gingsheng!

I swear that
one day I'll
make you all
pay!

AND THIS
FURTHER
SPURRED
HIS DESIRE
TO EXACT
REVENGE...

LIN PINGZHI
THUS FELT
AS THOUGH
HE HAD
TRULY HIT
"ROCK"
BOTTOM

Master

Ah. This must be why
 was some real stuff.
 Brother Linghu, since
 the buggers ran away
 after you're probably
 going to head up for
 some trouble after
 today. I intended to
 kill him just now and
 save you from further
 trouble, but his kid
 didn't quite make it.

Your buggers
 materialized and it
 was a bit of a
 my attack.
 wasn't close
 yet, he was able
 to make three
 quick kills, and
 barely escape
 the killing blow.

Brother Linghu,
 wasn't you
 or doing too
 much? That
 can't be good
 for you.

the Alliance really
won't stand for
that so I'll have to
choose to take
action too!

and capturing
a disciple from
South Hong.

but you know
better than arguing
a master from
all Tai.

Look man,
I have no
problem being
paid with you.

Look, you just let me
go. I really might have
to resort to fighting
you to the death, you
know!

That may be
the case when
it comes to
fighting while
we're on our
feet

That's not all
at all but you still
aren't my
match!

You're only still
alive because I
held back

But fighting
when we're
seated?
Heh, you are
the one who
isn't my
match!

For two years, I was only able to practice my skills while fighting while sitting down. I actually lost my specialty.

Listen, buddy, what I admire is your courage and personality, not your martial arts. There's something you don't know. When I was a young boy, I had a bout of illness and my legs had problems for a while.

Just now when I was fighting that priest, I wasn't really doing too well. I was just used to fighting while sitting down, so I got lazy and didn't bother standing up.

Well then, there's something you don't know about because of the problems of your legs. You had to practice your skills while sitting down for two years. That was only two years.

My other martial arts skills are not as good, but fighting while sitting down, I am really better. After all, I have practiced my skills while sitting down for over a decade while martial arts.

None of them
got over it
when I taught
to me by my
master. I
mastered it
myself!

Really? Then I must be
wrong. I'd like to see this
marital and sexual freedom
has said. What's the name
of the technique?

... ..

... ..

And once
whenver I use
the secondary I
am always
sitting in the
latrine. You
could also say
it's the only
secondary!

At first, I could
hardly hit any of
them, but days
after days my
strikes got
better, and I could
gradually hit more
and more of them.
Eventually I was
able to create a
lot of secondary
out of it.

Well, to tell you
the truth, every
morning when I
go to the latrine,
there are always
many flies
flying around, so I
would pick up my
stick and try to
kill the flies.

Calm down for
a bit, we got
to sort the
mess first.

— 100 —

Well, then let me
take a look at
this display of
yours!

I see you as a
friend, but
what you said
is just going
too far. Are
you instructing
them. I am just
a fly in the
ointment!

Whoever has
taken the seat
loses.

What about the
times for
change?

Fine, get on
with it!

Go what
you want
with
that.

Whatever he does here,
he shall live in respect
and say 'Thakos' from
kneeling once after
your words.'

Go, if the user
does the little
but again he
don submit
himself to be
the little man's
friend.

Same for
me of
course!

But what do
you mean by
that? How do
you know I am
going to do?
What if you
leave?

We've already established that rule, so it doesn't matter what you want!

Besides, our sect only accept female disciples!

What say! Master hasn't allowed me to accept disciples yet!

Now, point number 2! The user must take a little wing of the white and become a scholar!

Listen, are you just that confident in winning?

.....

But fighting while doubled
down, I'm still
in the top
million arts
ranker!

Naturally! Fighting while I'm on my
feet, this Linghu Chong is but
number 66 in the ranking!

The leader of
the sect's cult,
Gongxiang
Subai...
(Unbeaten
of the East)

What
stuff
was
that?

GONGXIANG
SUBAI...
(UNBEATEN
OF THE EAST)

Enough
talk,
have at
you!
